Winter 2009

Note from the Executive Director

During my nearly ten years as executive director of the Joint IDA, I've had the good fortune to serve with two outstanding board chairmen, Steve Irvin and Joe Freeman. Each had the proper balance of support, guidance, vision, and appreciation for the policy role of a board of directors, and much was accomplished under their leadership. With Joe's retirement from

the board and the appointment of Jennifer Jones (see article) to replace him, the board recently elected Dr. William Snyder as the new Joint IDA board chair and Dave Elmore as vice-chair. As President *emeritus* of Wytheville Community College, Bill brings a wealth of experience from many years leading a key regional educational organization, in addition to various volunteer roles in the community. His experience and insights, especially in the workforce development arena, give confidence that past outstanding leadership of the Joint IDA will continue. I and the other staff look forward to working with Bill, Dave, and the rest of the board to continue the Joint IDA's contribution to help make our community a great place to live, work, learn, and play.
