### TWO WYTHE COMPANIES SELECTED FOR FANTASTIC FIFTY

This year's Virginia Business and Virginia Chamber of Commerce Fantastic Fifty, a listing of the 50 fastest growing privately held Virginia companies, includes two Wythe County companies. Musser Lumber Sales of Rural Retreat made the list for the second year in a row as the 33<sup>rd</sup> fastest growing Virginia business while Camrett Logisitcs, also with operations in Rural Retreat, debuted as the 25<sup>th</sup> fastest growing company in the Commonwealth. In the just released seventh annual listing, which is based on revenue growth over the past four years, only four companies outside the Northern Virginia/Richmond/Hampton Roads area of the state made the list. Company representatives attended a May 8<sup>th</sup> banquet in Richmond recognizing the winners from across the state. A listing of the Fantastic Fifty is included in the May issue of Virginia Business magazine.

Musser Lumber Sales is located in Rural Retreat, Virginia, with concentration yards in Kane, Pennsylvania, Memphis, Tennessee, and Millersburg, Ohio. The company purchases rough lumber and resales it after processing as kiln dried or green lumber that has been graded, planed, and/or custom sorted (color, grade, width, etc.).

Camrett Logistics has a fleet of over-the-road vehicles and offers a range of logistics services including warehousing, distribution, consolidation, and de-consolidation along with dedicated dryage and expedite services. The company has facilities in Rural Retreat and Dublin.
