### WYTHE COMPANY REPEATS AS FANTASTIC FIFTY SELECTION

This year's Virginia Business and Virginia Chamber of Commerce Fantastic Fifty, a listing of the 50 fastest growing privately held Virginia companies, includes Camrett Companies, consisting of Camrett Logistics and Camrett Dedicated, for the second year in a row. Camrett, with operations in Rural Retreat, was identified as the 33<sup>rd</sup> fastest growing company in the Commonwealth. In the just released eighth annual listing, which is based on revenue growth over the past four years, only three companies outside the Northern Virginia/Richmond/Hampton Roads area of the state made the list. Companies were recognized at a April 30<sup>th</sup> banquet in Richmond honoring the winners from across the state. A listing of the Fantastic Fifty is included in the May issue of Virginia Business magazine and can be found online at [www.virginiabusiness.com/magazine/yr2003/may03/03fan50\\_intro.shtml](http://www.virginiabusiness.com/magazine/yr2003/may03/03fan50_intro.shtml).

The Camrett Companies manages a fleet of over-the-road vehicles and offers a range of logistics services including warehousing, distribution, consolidation, and de-consolidation along with dedicated dryage and expedite services. The company, employing over 100 persons, has facilities in Rural Retreat, Dublin, Atkins, and Salem.
